T'd Lie (Studio) by Taylor Swift

Fill in the gaps

I don't think that passenger seat	Born on the seventeenth
Has (1) looked (2) (3) to me	His sister's beautiful
He tells me about his night	He has his father's eyes
And I count the (4) in his eyes	And if you ask me if I love him
He'll never fall in love, he swears	I'd lie
As he (5) his fingers (6) his hair	He stands there, (17) walks away
I'm (7) 'cause I (8) he's wrong	My God, if I could (18) say
And I don't think it (9) his	"I'm holding every breath for you"
mind	He'd (19) you
He (11) a joke, I fake a smile	But he can play guitar
But I know all his favorite songs	I (21) he can see through
And I could (12) you	Everything but my heart
His favorite color's green	First thought when I (22) up
He loves to argue	Is "My God he's beautiful"
Born on the seventeenth	So I put on my make-up
His sister's beautiful	And pray for a miracle
He has his father's eyes	Yes, I could (23) you
And if you ask if I love him	His favorite color's green
I'd lie	And he loves to argue
He looks around the room	Oh, and it (24) me
Innocently (13) the truth	His sister's beautiful
Shouldn't a light go on	He has his father's eyes
Doesn't he know that	And if you ask me if I (25) him
I've had him memorized for so long and	Don't you ask me if I love him
He sees everything (14) and white	'Cos I'd lie
Never let nobody see him cry	
I don't let nobody see me (15) he was mine	
I could tell you his (16) color's green	
He loves to argue
