

## Fill in the gaps

Clambering men in big bad boots			
Dug up my den, dug up my roots			
Treated us like plasticine town			
They built us up and knocked us down			
From meccano to legoland			
Here they come with a brick in their hand			
Men with heads filled up with sand			
It's build			
It's build a house (1) we can stay (build)			
Add a new bit every day (build)			
It's build a road for us to cross (build)			
Build us lots and lots and lots and lots (build)			
Whistling men in yellow vans			
They came and drew us diagrams			
Showed us how it all worked out			
And wrote it down in case of doubt			
Slow, slow, quick, quick, quick			
It's wall to wall and brick to brick			

They work so fast it makes you sick
