

Fill in the gaps

Christmas night, another fight	Doesn't really feel (13) (14)
Tears we cried a flood	at all
Got all kinds of poison in	Still waiting for the snow to fall
Poison in my blood	It doesn't really (15) like Christmas at all
I took my feet	Those Christmas lights
To Oxford Street	Light up the street
Trying to (1) a wrong	Down where the sea and city meet
Just walk away	May all your (16) be
Those (2) say	gone
But I can't believe she's gone	(Oh) Christmas lights keep shining on
When you're still (3) for the snow to fall	Those Christmas lights
Doesn't really (4) like (5) at	Light up the street
all	Maybe they'll bring her back to me
Up (6) on air flicker	Then all my troubles (18) be gone
(Oh) they flicker and they float	(Oh) (19) lights (20)
But I'm up here holding on	shining on
To all those (8) of hope	(Oh) (21) lights
Like some (9) Elvis singing	Light up the street
I go singing out of tune	Light up the (22) in me
Saying how I always (10) you darling	May all your (23) be
And I (11) will	gone
(Oh) when you're still (12) for the snow to	Those Christmas (25) (26) shining
fall	on
