Christmas Lights by Coldplay

Christmas night, another fight
Tears we cried a flood
Got all kinds of poison in
Poison in my blood
I took my feet
To Oxford Street
Trying to right a wrong
Just walk away
Those windows say
But I can't believe she's gone
When you're still waiting for the snow to fall
Doesn't really feel like Christmas at all
Up above (1)_____ on air flicker
(Oh) they flicker and they float
But I'm up here holding on
To all those chandeliers of hope
Like some drunken Elvis singing
I go singing out of tune
Saying how I (2)_____ loved you darling
And I always will
(Oh) when you're still waiting for the snow to fall

Doesn't really feel like Christmas at all
Still waiting for the snow to fall
It doesn't really feel like Christmas at all
Those Christmas lights
Light up the street
Down where the sea and city meet
May all your troubles (3)_____ be gone
(Oh) Christmas (4)_____ (5)_____
(6)_____ on
Those Christmas lights
Light up the street
Maybe they'll bring her (7)_____ to me
Then all my troubles will be gone
(Oh) (8)_____ lights keep shining on
(Oh) Christmas lights
Light up the street
Light up the (9)_____ in me
May all your troubles soon be gone
Those Christmas lights (10)_____ shining on
