Even The Nights Are Better by Air Supply

EVEN THE NIGHTS ARE BETTER	Cause now you've (16) a fire start
Air Supply	And I, I can see (17) you feel the same way
(J.L. Wallance/Kenneth Bell/Terry Skinner)	I never dreamed there'd be (18) to hold me
I, I was the lonely one	Until you told me and now that I've found you
Wondering what went wrong, why love had gone	Even the (19) are better
And left me lonely	Now that we're (20) together
I, I was so confused, (1) like I'd just been	Even the nights are better
used	Since I found you, oh
Then you came to me and my (2)	Even the days are brighter
(3) me	When someone you love's (21) ya
I used to (4) I was tied to a heartache	Even the (22) are better
That was the heartbreak, but now (5) I've	Since I found you
(6) you	I (23) dreamed there'd be (24)
Even the (7) are better	to hold me
Now that we're (8) together	Until you told me and now that I've found you
Even the (9) are better	Even the nights are better
Since I (10) you, oh	Now (25) we're here together
Even the (11) are brighter	Even the nights are better
When someone you love's beside ya	Since I found you, oh
Even the nights are better	Even the days are brighter
Since I (12) you	When someone you love's beside ya
You, you knew (13) what to do	Even the (26) are better
'Cause you had (14) (15) too	Since I found you
And you showed me how	
To ease the pain and	
You did more than mend a broken heart
