

Fill in the gaps

Christmas Lights (Live) by Coldplay

Christmas night	Still waiting for the (16) to fall
Another fight	It doesn't really (17) like
Tears we cried a flood	(18) at all
Got all (1) of poison in	Those Christmas lights
Poison in my blood	Light up the street
I took my feet	Down where the sea and city meet
To Oxford Street	May all your troubles soon be gone
Just try to right a wrong	Oh Christmas lights keep shining on
Walk away	Those Christmas lights
Those windows say	Light up the street
But I can't believe she's gone	Maybe they'll bring her (19) to me
When you're still waiting for the snow to fall	Then all my troubles will be gone
Doesn't (2) feel like Christmas at all	Oh Christmas lights (20) shining on
Up above (3) on air flicker	(Oh oh oh oh oh oh)
Oh (4) (5) and they float	Those Christmas lights
But I'm up (6) holding on	Light up the street
To all (7) chandeliers of hope	Light up the fireworks in me
Like some (8) (9) singing	May all (21) troubles (22) be gone
I go singing out of tune	Oh Christmas (23) (24)
Saying how I always loved you darling	(25) on
And I (10) will	Happy Christmas everybody
Oh (11) you're still (12) for the	
(13) to fall	
Doesn't really (14) like (15)	
at all
