I Won't Let You Go by James Morrison

When it's black	And if your sky is falling
Take a little time to hold yourself	Just (6) my hand and hold it
Take a (1) time to (2) around	You don't have to be alone, alone, yeah
Before it's gone	I won't let you go
You won't let go	(Won't let you go, won't let you go)
But you still (3) on falling down	And if you feel the fading of the light
Remember how you saved me now	And you're too (7) to carry on the fight
From all of my wrongs, yeah	And all (8) friends that you count on
And if there's love just feel it	Have disappeared
And if there's life we'll see it	I'll be here, not gone, forever, holding on, oh
This is no time to be alone, alone, yeah	And if there's (9) (10) feel it
I won't let you go	And if there's life we'll see it
Say those words	This is no time to be alone, alone, yeah
Say those (4) like there's nothing else	I won't let you go
Close your eyes and you might believe	(Won't let you go, won't let you go)
That there is (5) way out	And if your sky is falling
Open up	Just take my hand and hold it
Open up your heart to me now	You don't have to be alone, alone, yeah
Let it all come pouring out	I won't let you go
There's nothing I can't take	(Won't let you go, won't let you go)
And if there's love just feel it	I won't let you go, No I won't let
And if there's life we'll see it	I won't let you go, No I won't let
This is no time to be alone, alone, yeah	I won't let you go, No I won't let you go
I won't let you go
