## Fill in the gaps

## Airplanes by B.o.B & Hayley Williams (Paramore)

Can we pretend that airplanes	Somebody take me back to the days
In the night sky are like shooting stars?	Before this was a job, before I got paid
could (1) use a wish right now	Before it ever (21) what I had in my bank
Wish right now, wish right now	Yeah, back when I was trying to get a tip at subway
Can we pretend that airplanes	And back when I was rapping for the hell of it
In the night sky are like (2) stars?	But now a (22) we rapping to stay relevant
I could really use a wish right now	I'm guessing that if we can make
Wish (3) now, wish right now	Some wishes outta airplanes
Yeah, I (4) use a dream or a genie or a wish	Then maybe yo maybe I'll go back to the days
To go back to a place much simpler than this	Before the politics that we call the rap game
Cause after all the (5) and	And back when ain't nobody (23) to my
(6) and crashing	mix tape
And all the (7) and the (8) and the	And back before I (24) to cover up my slang
fashion	But this is for the Cada, what's up Bobby Ray?
And all the (9) and all the	So can I get a wish to end the politics
madness	And get back to the music that started this
There comes a time (10) you (11) to	So here I stand and then again I say
the blackness	I'm hoping we can make some wishes outta airplanes
And when you're staring at that phone in your lap	Can we pretend that airplanes
And you (12) but them people never call you	In the night sky are like shooting stars?
back	I could (25) use a wish right now
But that's just how the story unfolds	Wish (26) now, wish right now
You get (13) hand soon after you fold	Can we pretend that airplanes
And when your plans unravel	In the night sky are like shooting stars?
And they saying what (14) you wish for	I could really use a wish right now
If you had one chance?	Wish right now, wish right now
So (15) sorry	I could really use a wish right now
I'm late	I could really use a wish right now
I'm on my way so don't (17) that gate	Like like shooting stars
If I don't make that then I'll switch my flight	I could really use a wish (27) now
And I'll be right back at it by the end of the night	A wish a wish right now
Can we pretend that airplanes	
In the night sky are like shooting stars?	
I (18) use a wish right now	
Wish right now, wish right now	
Can we pretend that airplanes	
In the night sky are like shooting stars?	
I (20) really use a wish right now	
Wish right now, wish right now	

- 1. really
- 2. shooting
- 3. right
- 4. could
- 5. partying
