Wish right now, wish right now

Fill in the gaps

Airplanes by B.o.B & Hayley Williams (Paramore)

Can we pretend that airplanes	Somebody take me back to the days
In the night sky are like shooting stars?	Before this was a job, before I got paid
I could really use a wish right now	Before it ever mattered what I had in my bank
Wish right now, wish right now	Yeah, back when I was trying to get a tip at subway
Can we pretend that airplanes	And back when I was (6) for the hell of it
In the night sky are like shooting stars?	But now a days we rapping to stay relevant
I could really use a wish right now	I'm guessing that if we can make
Wish right now, wish right now	Some wishes outta airplanes
Yeah, I could use a dream or a (1) or a wish	Then maybe yo maybe I'll go back to the days
To go back to a place much simpler than this	Before the politics that we call the rap game
'Cause after all the partying and smashing and crashing	And back when ain't nobody listened to my mix tape
And all the glitz and the glam and the fashion	And back before I (7) to (8) up my
And all the pandemonium and all the madness	slang
There comes a time where you fade to the blackness	But this is for the Cada, what's up Bobby Ray?
And when you're staring at that phone in your lap	So can I get a wish to end the politics
And you hoping but them people never call you back	And get back to the music that started this
But that's just how the story unfolds	So here I stand and then again I say
You get another hand soon after you fold	I'm hoping we can make some wishes outta airplanes
And when your plans unravel	Can we pretend that airplanes
And (2) saying what would you wish for	In the night sky are like shooting stars?
If you had one chance?	I could really use a wish right now
So airplane airplane sorry I'm late	Wish right now, wish right now
I'm on my way so don't close that gate	Can we pretend that airplanes
If I don't (3) that then I'll switch my flight	In the night sky are like shooting stars?
And I'll be right back at it by the end of the night	I could really use a wish right now
Can we pretend (4) airplanes	Wish right now, wish right now
In the night sky are like shooting stars?	I could really use a wish right now
I could really use a wish right now	I (9) really use a wish right now
Wish right now, wish right now	Like like shooting stars
Can we pretend that airplanes	I could really use a (10) right now
In the night sky are like shooting stars?	A wish a wish right now
