When You're Gone by Avril Lavigne

I always needed time on my own	The (6) of my heart are missing you
I never thought I'd need you there when I cry	When you're gone
And the days feel like years when I'm alone	The (7) I came to know is missing too
And the bed where you lie is made up on your side	When you're gone
When you walk away I count the steps that you take	The words I need to hear to always get me through the day
Do you see how much I (1) you right now	and make it ok
When you're gone	I miss you
The (2) of my heart are missing you	We (8) made for each other
When you're gone	Out here forever
The face I came to know is missing too	I know we were, yeah!
When you're gone	All I ever wanted was for you to know
The words I (3) to hear to always get me through	Everything I do, I'd give my heart and soul
the day and make it ok	I can hardly breathe I need to feel you here with me, yeah!
I (4) you	When you're gone
I've never felt this way before	The pieces of my heart are missing you
Everything that I do reminds me of you	When you're gone
And the clothes you left, they lie on the floor	The face I came to know is missing too
And they smell just like you, I love the things that you do	When you're gone
When you walk away I count the steps that you take	The words I need to (9) will always get me through
Do you see how much I need you (5) now	the day and make it ok
When you're gone	I (10) you
