

## Fill in the gaps

Do what you what you want	Hello, nello, remember me?
If you (1) a dream for better	I'm everything you can't control
Do what you want	Somewhere beyond the pain
Till you don't want it anymore	There (4) be a way to believe
(Remember who you really are)	There's still time
Do what you want	Close (5) eyes
Your world's closing in on you now	Only (6) will guide you home
(It isn't over)	Tear down the walls and (7) your soul
Stand and face the unknown	Till we crash we're forever spiraling down
(Got to remember who you really are)	Down, down, down
Every heart in my hands like a pale reflection	Hello, hello
Hello, hello, remember me?	It's only me infecting everything you love
I'm everything you can't control	Somewhere beyond the pain
Somewhere beyond the pain	There must be a way to believe
There must be a way to believe we can break through	Hello, hello, remember me?
Do what you want	I'm (8) you can't control
You don't have to lay your (2) down	Somewhere (9) the pain
(It isn't over)	There must be a way to learn forgiveness
Do what you want	Hello, hello, (10) me?
Till you find what you're looking for	I'm everything you can't control
(Got to remember who you really are)	Somewhere beyond the pain
But every hour slipping by screams	There must be a way to believe
That I have failed you	We can break through
Hello, hello, remember me?	(Remember who you really are)
I'm everything you can't control	Do what you what you want
Somewhere beyond the (3) there	
Must be a way to believe
