

## October by Evanescence

|                             |                                 |
|-----------------------------|---------------------------------|
| I can't run anymore         | I'm too alive                   |
| I fall before you           | And you're too strong           |
| Here I am                   | I can't lie anymore             |
| I have nothing left         | I fall down (3)_____ you        |
| Though I've tried to forget | I'm sorry                       |
| You're all that I am        | I'm sorry                       |
| Take me home                | My only hope                    |
| I'm through fighting it     | My only peace                   |
| Broken                      | My (4)_____ joy                 |
| Lifeless                    | My only strength                |
| I give up                   | My (5)_____ power               |
| You're my only strength     | My (6)_____ life                |
| Without you                 | My (7)_____ love                |
| I can't go on               | Constantly ignoring             |
| Anymore                     | The (8)_____ consuming me       |
| Ever again                  | But this time it's cut too deep |
| My only hope                | I'll never stray again          |
| My (1)_____ peace           | My only hope                    |
| My only joy                 | My only peace                   |
| My only strength            | My only joy                     |
| My (2)_____ power           | My only strength                |
| My only life                | My only power                   |
| My only love                | My only life                    |
| I can't run anymore         | My (9)_____ love                |
| I give myself to you        | My only hope                    |
| I'm sorry                   | My only peace                   |
| I'm sorry                   | My only joy                     |
| In all my bitterness        | My only strength                |
| I ignored                   | My only power                   |
| All that's real and true    | My only life                    |
| All I need is you           | My only love                    |
| When night falls on me      |                                 |
| I'll not close my eyes      |                                 |

## Fill in the gaps

Answer

**Fill in the gaps**

1. only
2. only
3. before
4. only
5. only
6. only
7. only
8. pain
9. only
