Fill in the gaps

Someone Like You (Studio) by Adele

I heard	I'd (11) you'd see my face
That you're settled down	And that you'd be (12) that for me
That you found a girl	It isn't over, yeah
And you're married now	Never mind I'll find (13) like you
I heard	I wish nothing but the (14) for you too
That your dreams (1) true	Don't forget me, I beg
Guess she (2) you things	I (15) you say
I didn't give to you	Sometimes it lasts in love
Old friend	But sometimes it (16) instead
Why are you so shy	Sometimes it lasts in love
It ain't like you to hold back	But sometimes it hurts instead, yeah
Or hide from the light	Nothing compares, no worries or cares
I (3) to turn up out of the blue uninvited	Regrets and mistakes they're (17) made
But I couldn't stay away I couldn't (4) it	Who would have known how
I'd hoped you'd see my face	Bittersweet (18) would taste
And that you'd be reminded that for me	Never mind I'll find (19) like you
It isn't over	I wish nothing but the best for you
Never mind, I'll find someone like you	Don't (20) me, I beg
I wish nothing but the (5) for you too	I remember you say
Don't forget me, I beg	Sometimes it lasts in love
I remember you say	But sometimes it hurts instead
Sometimes it lasts in love	Never mind I'll (21) someone like you
But (6) it hurts instead	I wish nothing but the best for you too
Sometimes it lasts in love	Don't (22) me, I beg
But sometimes it (7) instead, yeah	l (23) you say
You'd know how the time flies	Sometimes it lasts in love
Only (8) was the time of our lives	But sometimes it (24) instead
We were born and raised	Sometimes it lasts in love
In a summer haze	But sometimes it hurts instead
Bound by the suprise of our glory days	Yeah, yeah
I hate to turn up out of the (9) uninvited	
But I couldn't stay away	
I couldn't (10) it
