

Fill in the gaps

know a girl	Girls become lovers who turn (5) mothers
She puts the color inside of my world	So mothers be good to your daughters, too
She's just like a maze	Boys, you can break
Where all of the walls all (1)	You'll find out how much they can take
change	Boys will be strong and (6) soldier on
And I've done all I can	But boys (7) be gone without warmth from
To stand on her (2) with my heart in my hands	A woman's good, (8) heart
Now I'm starting to see	On behalf of every man
Maybe it's got nothing to do with me	Looking out for every girl
Fathers be good to your daughters	You are the guide and the weight of her world
Daughters will love like you do	So fathers be good to your daughters
Girls become lovers who turn into mothers	Daughters will love (9) you do
So mothers be good to (3) daughters, too	Girls become lovers who turn into mothers
(Oh) You see that skin?	So mothers be good to your daughters, too
t's the same she's been standing in	So mothers be good to your daughters, too
Since the day she saw him walking away	So mothers be good to (10) daughters, too
Now she's left cleaning up the mess he made	
So fathers be good to your daughters	
Daughters will love (4) you do
