

Fill in the gaps

I worry	It's not supposed to
I (1) three times my body	Is there a second in time I looked around
I worry	Did I sail through or drop my anchor down?
I throw my fear around	Was anything (7) to kiss the ground?
But (2) morning	And say I'm here now
There's a (3) I can't explain	And she's here now
The (4) candy's melted only diamonds now remain	(Ooh ooh ooh)
(Ooh ooh ooh)	(Ooh ooh ooh)
By the time I (5) this moment	So much wasted in the afternoon
This moment will be gone	So much sacred in the month of June
But I will bend the (6) pretend	How (8) you? (Oh)
That it somehow lingered on	And I will wait to find
Well all I got's	If this (9) last forever
(Ooh ooh ooh)	And I will wait to find
And I will wait to find	That it won't, and it won't, it won't
If this will last forever	And I will pay no mind
And I will wait to find	Worry (10) the rainy weather
If this will last forever	And I will waste no time
And I will pay no mind	Remaining in our life together
Well it won't, and it won't, cause it can't	
It just can't
