There's no storm my love

Fill in the gaps

You're My Everything by Santa Esmeralda

You are my everything	You're my everything
The sun that shines above you	No nothing (6) matters
Make the blue (1) sing	But the love you bring
The stars that twinkle wake up in the sky	You're my everything
Tell me I'm in love	To see you in the morning
When I kiss (2) lips	With those big (7) eyes
I feel the (3) thunder to my fingertips	You're my everything
And all the while my head is in a spin	Forever and a day I (8) you close to me
Deep (4) I'm in love	You're my everything
You're my everything	You never have to worry
And nothing really matters	Never fear for I am near
But the love you bring	When I hold you tight
You're my everything	There's nothing that can harm you
To see you in the morning	In the lonely night
With those big brown eyes	I'll come to you and keep you safe and warm
You're my everything	It's so strong my love
Forever and a day I need you close to me	When I kiss your lips
You're my everything	I feel the roaring thunder to my fingertips
You never have to worry	And all the (9) my head is in a spin
