You're My Everything by Santa Esmeralda

You are my everything	You're my everything
The sun that shines (1) you	No nothing really matters
Make the blue birds sing	But the love you bring
The stars that twinkle wake up in the sky	You're my everything
Tell me I'm in love	To see you in the morning
When I kiss your lips	With those big brown eyes
I feel the roaring (2) to my fingertips	You're my everything
And all the (3) my head is in a spin	Forever and a day I need you close to me
Deep within I'm in love	You're my everything
You're my everything	You never have to worry
And nothing (4) matters	Never fear for I am near
But the love you bring	When I (6) you tight
You're my everything	There's nothing that can harm you
To see you in the morning	In the lonely night
