## SUB inglès

Don't hold me up now
I can stand my own ground

## Fill in the gaps

## Prayer Of The Refugee by Rise Against

Warm yourself by the fire, son	I don't need your (6) now
And the morning will come soon	You will let me down, down, down!
I'll tell you (1) of a better time	So (7) your eyes child
In a place that we once knew	Let's be on our way
Before we packed our bags	Broken windows and ashes
And (2) all this behind us in the dust	Are guiding the way
We had a place that we could call home	Keep quiet no longer
And a life no one could touch	We'll sing through the day
Don't hold me up now	Of the lives that we've lost
I can stand my own ground	And the lives we've reclaimed
I don't need your help now	Don't hold me up now
You will let me down, down, down!	I can stand my own ground
Don't hold me up now	I don't need your help now
I can (3) my own ground	You will let me down, down, down!
I (4) need your help now	Don't hold me up now
You will let me down, down, down!	I can stand my own ground
Down!	I don't (8) your help now
We are the angry and the desperate	You will let me down, down, down!
The hungry, and the cold	Don't hold me up
We are the ones that kept quiet	(I don't need your help, I'll stand my ground)
And always did what we were told	Don't hold me up
But we've been sweating while you (5) so calm	(I (9) need your help)
In the safety of your home	No! No! No!
We've been pulling out the nails that hold up	Don't hold me up!
Everything you've known	(I don't need your help, I'll stand my ground)
Don't hold me up now	Don't hold me up!
I can stand my own ground	(I (10) need your help, I'll stand my ground)
I don't need your help now	Don't let me down, down, down, down
You will let me down, down!	Down!
