I can stand my own ground

Fill in the gaps

Prayer Of The Refugee by Rise Against

Warm (1)	by the fire, son	I don't need your help now
And the morning will come soon		You will let me down, down, down!
I'll tell you stories of a better time		So open your eyes child
In a place that we (2)	_ knew	Let's be on our way
Before we packed our bags		Broken windows and ashes
And left all this behind us in the dust		Are guiding the way
We had a place that we could call home		Keep quiet no longer
And a life no one could touch		We'll sing through the day
Don't hold me up now		Of the (6) that we've lost
I can stand my own ground		And the lives we've reclaimed
I don't (3) your help now		Don't hold me up now
You will let me down, down, down!		I can stand my own ground
Don't hold me up now		I (7) need your help now
I can stand my own ground		You will let me down, down, down!
I don't need your help now		Don't hold me up now
You (4) let me down	n, down, down!	I can stand my own ground
Down!		I don't need your (8) now
We are the angry and the desp	perate	You will let me down, down, down!
The hungry, and the cold		Don't hold me up
We are the ones that kept quiet		(I don't need your help, I'll stand my ground)
And always did what we were told		Don't hold me up
But we've been sweating while you slept so calm		(I (9) need your help)
In the safety of your home		No! No! No!
We've been pulling out the nail	ls (5) hold up	Don't hold me up!
Everything you've known		(I don't need (10) help, I'll stand my ground)
Don't hold me up now		Don't hold me up!
I can stand my own ground		(I don't need your help, I'll stand my ground)
I don't need your help now		Don't let me down, down, down, down
You will let me down, down!		Down!
Don't hold me up now
