

They're lighting up the sky tonight

Fill in the gaps

You (1) the skies, up above me	For you, for you
A star, so bright, you (2) me, yeah	All the stars are coming out tonight
Don't close your eyes	They're lighting up the sky tonight
Don't fade away, don't fade away-	For you, for you-
Oh	oh
Yeah you and me we can ride on a star	Yeah you and me we can ride on a star
If you stay with me girl	If you (7) with me girl
We can rule the world-	We can (8) the world
Yeah you and me we can (3) up the sky	Yeah you and me, we can light up the sky
If you stay by my side	If you stay by my side
We can rule the world-	We can rule the world
If walls break down, I will comfort you	All the stars are coming out tonight (oh)
If angels cry, oh I'll be there for you	They're lighting up the sky tonight
You've saved my soul	For you, for you-
Don't leave me now, don't (4) me now	All the stars are coming out tonight
Oh	They're lighting up the sky tonight
Yeah you and me we can ride on a star	For you, for you-
If you stay with me girl	All the stars, are coming out tonight
We can rule the world	They're lighting up the sky tonight
Yeah you and me, we can light up the sky	For you, for you
If you stay by my side	All the stars, are (9) out tonight
We can rule the world-	They're lighting up the sky tonight
oh	For you, for you
All the (5) are (6) out tonight
