

Fill in the gaps

I've been a bad, bad girl	I got a lot to lose
I've been careless (1) a delicate man	And I'm betting high
And it's a sad, sad world	So I'm begging you
When a girl (2) break a boy	Before it ends, just tell me where to begin
Just because she can	What I need is a good defense
Don't you tell me to deny it	Cause I'm (5) like a crimina
I've done wrong and I wanna suffer for my sins	And I need to be redeemed
I've come to you (3) I need guidance to be true	To the one I've (6) against
And I just don't know where I can begin	Because he's all I ever knew of love
What I need is a good defense	Let me (7) the way
Cause I'm feeling like a criminal	Before there's (8) to pay
And I need to be redeemed	Give me room to lay the law and let me go
To the one I've sinned against	I gotta make a play
Because he's all I ever knew of love	To make my lover stay
Heaven help me for the way I am	So what would an angel say?
Save me from (4) evil deeds	The devil wants to know
Before I get them done	What I need is a good defense
I know tomorrow brings the consequence at hand	Cause I'm feeling like a criminal
But I keep living this day	And I need to be redeemed
Like the next will never come	To the one I've (9) against
Oh help me, but don't tell me to deny it	Because he's all I ever knew of love
I gotta cleanse myself of all these lies	
Till I'm good enough for him
