

Fill in the gaps

I've (1) a bad, bad girl	I got a lot to lose
I've (2) careless with a delicate man	And I'm betting high
And it's a sad, sad world	So I'm begging you
When a girl will break a boy	Before it ends, just (15) me where to begin
Just (3) she can	What I (16) is a good defense
Don't you tell me to (4) it	Cause I'm (17) like a criminal
I've done wrong and I wanna suffer for my sins	And I need to be redeemed
I've come to you (5) I need	To the one I've sinned against
(6) to be true	Because he's all I ever knew of love
And I just don't (7) where I can begin	Let me know the way
What I need is a good defense	Before there's hell to pay
Cause I'm feeling (8) a criminal	Give me (18) to lay the law and let me go
And I need to be redeemed	I gotta make a play
To the one I've sinned against	To make my lover stay
Because he's all I ever (9) of love	So what would an (19) say?
Heaven help me for the way I am	The (20) to know
Save me from these evil deeds	What I need is a (22) defense
Before I get them done	Cause I'm feeling (23) a criminal
I know (10) brings the consequence at	And I need to be redeemed
hand	To the one I've sinned against
But I keep (11) day	Because he's all I (24) knew of love
Like the next will never come	
Oh help me, but don't tell me to deny it	
I gotta (13) myself of all (14)	
lies	
Till I'm good enough for him
