

## Fill in the gaps

Came in from a rainy Thursday on the avenue	Somehow I have to find
Thought I heard you talking softly	And as I try to make my way
I turned on the lights, the TV, and the radio	To the ordinary world
Still I can't (1) the ghost of you	I will learn to survive
What has happened to it all?	
Crazy someone say	Papers in the roadside tell of suffering and greed
Where is the (2) that I recognize?	Fear today, (6) tomorrow
(Gone away)	(Oh)
But I won't cry for yesterday	Besides the news of holy war and holy need
There's an ordinary world	Ours is (7) a little sorrowed talk
Somehow I have to find	And I don't cry for yesterday
And as I try to (3) my way	There's an ordinary world
To the ordinary world	Somehow I have to find
I (4) learn to survive	And as I try to make my way
Passion or coincidence once prompted you to say	To the ordinary world
"Pride will tear us both apart"	I will learn to survive
Well now pride's gone out the window	Every world
Cross the rooftops, run away	is my (8) (I will (9) to survive)
Left me in the vacuum of my heart	Any world
What is happening to me?	is my world (I will learn to survive)
Crazy someone say	Any world!
Where is my friend when I need you most?	(is my world)
Gone away	
But I won't cry for yesterday	
There's an (5) world
