

## Fill in the gaps

Came in (1) a (2) Thursday on the	Somehow I have to find
avenue	And as I try to make my way
Thought I heard you talking softly	To the ordinary world
I turned on the lights, the TV, and the radio	I will learn to survive
Still I can't (3) the (4) of you	
What has happened to it all?	Papers in the roadside tell of suffering and greed
Crazy someone say	Fear today, (7) tomorrow
Where is the life that I recognize?	(Oh)
(Gone away)	Besides the news of holy war and holy need
But I won't cry for yesterday	Ours is just a little sorrowed talk
There's an ordinary world	And I don't cry for yesterday
Somehow I have to find	There's an ordinary world
And as I try to make my way	Somehow I (8) to find
To the ordinary world	And as I try to make my way
I (5) learn to survive	To the ordinary world
Passion or coincidence once prompted you to say	I will (9) to survive
"Pride will tear us both apart"	Every world
Well now pride's gone out the window	is my (10) (I will learn to survive)
Cross the rooftops, run away	Any world
Left me in the vacuum of my heart	is my world (I will learn to survive)
What is happening to me?	Any world!
Crazy someone say	(is my world)
Where is my friend when I need you most?	
Gone away	
But I won't cry for yesterday	
There's an (6) world
