

Take a step before you leap

Fill in the gaps

Aftermath (Acoustic) by Adam Lambert

Have you lost your way?		Into the colours that you seek	
Living in the (1)	of the messes that you made	You (6) back what you give away	
And so it goes		So don't look (7) on yesterday	
Everything inside your circle starts to overflow		Wanna scream out no more hiding	
Take a step before you leap		Don't be afraid of what's inside	
Into the colours that you seek		Gonna tell ya you'll be alright in the Aftermath	
You give (2) what you give away		Anytime anybody pulls you down	
So don't look back on yesterday		Anytime anybody says you're not allowed	
Wanna scream out no more hiding		Just (8) you are not alone In	the
Don't be afraid of what's inside		Aftermath	
Gonna tell ya you'll be alright in the Aftermath		Before you (9) you have to shed your armor	
Anytime anybody (3) you down		Take a trip and fall into the glitter	
Anytime anybody says you're not allowed		Tell a stranger that they're beautiful	
Just remember you are not alone In the Aftermath		So all you feel is love, love	
And you feel the weight		All you feel is love, love	
Of (4) and c	contradictions that you (5)	Anytime anybody pulls you down	
with every day		Anytime anybody (10) you're not allowed	
No It's not too late		Just remember you are not alone	
Just think of what could be		In the Aftermath	
If you rewrite the role yo	u play
