

Fill in the gaps

Aftermath (Acoustic) by Adam Lambert

Have you lost (1) way?	Into the colours (16) you seek
Living in the (2) of the (3)	You (17) back what you give away
(4) you made	So don't look (18) on yesterday
And so it goes	Wanna scream out no more hiding
Everything inside (5) (6) starts to	Don't be (19) of what's inside
overflow	Gonna (20) ya you'll be (21) in
Take a step before you leap	the Aftermath
Into the colours that you seek	Anytime anybody pulls you down
You give back (7) you give away	Anytime anybody says you're not allowed
So don't look back on yesterday	Just remember you are not alone In the Aftermath
Wanna (8) out no more hiding	Before you break you have to shed (22) armor
Don't be afraid of what's inside	Take a (23) and (24) into the glitter
Gonna (9) ya you'll be alright in the Aftermath	Tell a stranger that they're beautiful
Anytime anybody (10) you down	So all you feel is love, love
Anytime anybody says you're not allowed	All you (25) is love, love
Just remember you are not alone In the Aftermath	Anytime anybody pulls you down
And you (11) the weight	Anytime anybody says you're not allowed
Of lies and contradictions that you live with every day	Just remember you are not alone
No It's not too late	In the Aftermath
Just (12) of what (13) be	
If you rewrite the role you play	
Take a (14) (15) you leap
