

In your (8)_____ (in your name) I find meaning

Fill in the gaps

The broken clock is a comfort		So I'm holding on (I'm still holding)
It helps me (1) tonight		I'm holding on (I'm still holding)
Maybe it can stop tomorrow		I'm holding on (I'm still holding)
From stealing all my time		I'm barely holding on to you
And I am here (2) waiting		I'm hanging on another day
Though I still have my doubts		Just to see what you throw my way
I am damaged at best		But I'm hanging on to the words you say
Like you've (3) (4)	out	You said that I would be ok
I'm falling apart		The broken lights on the freeway
I'm (5) breathing		Left me here alone
With a broken heart		I may have lost my way now
That's still beating		Haven't forgotten my way home
In the pain		I'm falling apart
There is healing		I'm barely breathing
In your name I find meaning		With a broken heart
The broken locks (6) a warning		That's still beating
You got inside my head		In the pain (in the pain)
I tried my best to be guarded		There is healing
I'm an open (7) instead		In your name I find meaning
I still see your reflection		So I'm holding on (I'm still holding)
Inside of my eyes		I'm holding on (I'm still holding)
That are looking for purpose		I'm (9) on (I'm still holding)
They're still looking for life		I'm barely holding on to you
I'm falling apart		I'm holding on (I'm still holding)
I'm barely breathing		I'm holding on (I'm still holding)
With a broken heart		I'm holding on (I'm (10) holding)
That's still beating		I'm barely holding on to you
In the pain (in the pain)		
Is there healing?		

- 1. sleep
