## Critical by Jonas Brothers

## Fill in the gaps

There's a (1) coming up		I'm feeling helpless
And I (2) (3)	myself	So hysterical, and this can't be healthy
Cause (4) felling's		I can't eat or sleep
Getting (5) everyday		When you're not with me
Something's (6) inside		Baby, you're the air I breathe
Everything is about to change		This is critical, yeah
Gotta (7) the fact		So stuck on you
That I can't walk away		Used to run and hide
This is critical		Used to bend our love
I am (8) helpless		But I can't escape this time
So hysterical, and this can't be healthy		Oh no
I can't eat or sleep		This is critical
When you're not with me		I am feeling helpless
Baby, you're the air I breathe		So hysterical, and this can't be healthy
This is critical, yeah		I can't eat or sleep
So stuck on you		When you're not (16) me
Used to (9) everything (10)	out	You're the air I breathe
But it's different now		This is critical, yeah
When you came, you saw		Baby it's so critical
You conquered my heart		It's so critical, yeah
It's (11) laugh and (12)	smile	It's so critical
Wanna stay for a (13) while		It's so critical, yeah
I don't (14) go		So (17) on you
I (15) want you in my arms		
This is critical
