When I Look At You by Miley Cyrus

Fill in the gaps

Everybody needs inspiration		That's when I, I look at you	
Everybody needs a song		When the waves are (3) t	he shore
A beautiful melody		And I can't find my way home any more	
When the nights are so long		That's when I, I look at you	
'Cause there is no guarantee		You appear (4) like a dream to me	
That this life is easy		Just like kaleidoscope colors that cover me	
Yea when my world is falling apart		All I need	
When there's no light to break up the dark		Every breath that I breathe	
That's when I, I look at you		Don't you (5) you're beautiful	
When the waves are (1)	the shore	Yeah, yeah	
And I can't find my way home any more		When the (6) are flooding the sho	ore
That's when I, I look at you		And I can't (7) my way home any m	ore
When I look at you I see forgiveness		That's when I, I look at you	
I see the truth		I (8) at you	
You love me for who I am		Yeah	
Like the stars hold the moon		(Whoa-oh)	
Right there where they belong		You appear (9) like a dream to me	
And I know I'm not alone			
Yeah, when my world is (2)	_ apart		
When there's no light to break up the dark
