

I've never seen so many people Want to be there by your side

## The Lady In Red (Live) by Chris De Burgh

I've never seen you looking so lovely	And when you turned to me and smile
As you did tonight	You took my breath away
I've never seen you shine so bright	I have never had (6) a feeling
	Such a (7) of complete and
I've (1) seen so many men ask you	(8) love
If you wanted to dance	As I do tonight
Looking for a (2) romance	Lady in red
Giving (3) the chance	(Is dancing with me)
I have never seen that dress your wearing	Cheek to cheek
Or the highlights in your hair that catch your eyes	(There's nobody here)
I (4) (5) blind	There's nobody here
Lady in red	Just you and me
Is dancing with me	It's where I wanna be
Cheek to cheek	(I hardly know)
There's nobody here	I hardly know
Just you and me	This (9) by my side
It's where I wanna be	Yeah
I hardly know	I'll never forget
This beauty by my side	The way you look tonight
I'll never forget	I will (10) forget
The way you look tonight	The way you look tonight
I've never seen you look so gorgeous	Lady in red
As you did tonight	Lady in red
I've never seen you shine so bright	Lady in red
You were amazing	My lady in red
