## Butterfly Fly Away by Miley Cyrus & Billy Ray Cyrus

You tucked me in, turned out the light	Butterfly fly away
Kept me safe and sound at night	Butterfly fly away, (7) fly away
Little girls depend on (1) that	We've been waiting for this day
You brushed my (3) and combed my hair	Take those dreams and make them all come true
Had to drive me everywhere	Butterfly fly away, butterfly fly away
You were always there when I looked back	We've been waiting for this day
You had to do it all alone	All along and knowing just what to do
Make a living, make a home	Butterfly, butterfly, butterfly, (8) fly
Must have been as hard as it could be	away
And when I couldn't sleep at night	Butterfly fly away
Scared things wouldn't turn out right	Butterfly fly away
You would (4) my hand and sing to me	(Oh)
Caterpillar in the tree	Oh, I hope you find your way
How you wonder who you'll be	And all the things you wish, you love and care about
Can't go far but you can always dream	Oh, I hope you find your way
Wish you may and wish you might	
Don't you worry, (5) on tight	Butterfly Fly Away
I promise you there (6) come a day
