

## Fill in the gaps

I couldn't tell you	Where she belongs
Why she felt that way	She wants to go home, but nobody's home
She (1) it everyday	That's where she lies, broken inside
I couldn't help her	With no (14) to go, no (15) to go
I (2) (3) her make	To dry her eyes (16) inside
The same mistakes again	Her feeling she hides
What's wrong, what's wrong now	Her dream she can't find
Too many, too many problems	She's (17) her mind
Don't know (4) she belongs	She's falling behind
Where she belongs	She can't (18) her place
She (5) to go home, but nobody's home	She's (19) her faith
That's (6) she lies, (7) inside	She's (20) from grace
With no (8) to go, no (9) to go	She's all (21) the place (yeah)
To dry her eyes, (10) inside	She wants to go home, but nobody's home
Open your eyes	That's where she lies, broken inside
And look outside	With no (22) to go, no place to go
Find the (11) why (why)	To dry her (23) (24) inside
You've been (12) (You've been rejected)	She's lost inside, lost inside
And now you can't find	(oh, oh)
What you left behind	She's lost inside, lost inside
Be strong, be (13) now	(oh, oh, yeah)
Too many too many problems	
Don't know where she belongs
