

Fill in the gaps

I don't mind it	Right
I don't (1) at all	No I don't believe you
It's like you're the swingset	When you say don't (14) around here no more
And I'm the kid that falls	I won't remind you
It's like the way we fight	You said we wouldn't be apart
The (2) I cry	No I don't believe you
We come to blows	When you say you don't need me anymore
And every night	So don't pretend to
The passion's there	Not (15) me at all
So it's (3) be right	Just don't (16) (17) and watch me
Right	fall
No I don't (4) you	Cause I (18) I still don't mind it at all
When you say don't (5) (6) here	It's like the way we fight
no more	The times I cry
I won't remind you	We (19) to blows
You (7) we wouldn't be apart	And every night
No I don't believe you	The passion's there
When you say you don't (8) me anymore	So it's gotta be right
So don't pretend to	Right
Not (9) me at all	No I don't believe you
I don't mind it	When you say don't come around here no more
Still don't mind at all	I won't (20) you
It's like one of (10) bad dreams	You said we wouldn't be apart
When you can't (11) up	No I don't (21) you
Looks like	When you say you don't need me anymore
You've given up	So don't pretend to
You've had enough	Not love me at all
But I want more	I don't (22) you
No I won't stop	
Cause I (12) know	
You'll (13) around
