

Fill in the gaps

Young Folks by Peter, Bjorn & John

If I (1) you things I did before	Everyone is (19) I'm (20)
Told you how I used to be	(21) you
Would you go along with someone (2) me	It doesn't matter what we do
If you (3) my story (4) for word	Where we are going too
Had all of my history	We can stick around
Would you go along (5) someone (6)	And see this (22) through
me	And we don't care about the young folks
I did (7) and had my share	Talking 'bout the young style
It didn't lead nowhere	And we don't (23) about the old folks
I (8) go along with (9) like you	Talking 'bout the old style too
It doesn't matter (10) you did	And we don't care about (24) own faults
Who you were hanging with	Talking 'bout our own style
We (11) stick around	All we care 'bout is talking
And see this night through	Talking only me and you
And we don't care about the (12) folks	And we don't (25) about the young folks
Talking 'bout the young style	Talking 'bout the young style
And we don't care about the old folks	And we don't (26) about the old folks
Talking 'bout the old style too	Talking 'bout the old style too
And we don't care (13) own	And we don't care about their own faults
faults	Talking 'bout our own style
Talking 'bout our own style	All we care 'bout is talking
All we care 'bout is talking	Talking only me and you
Talking only me and you	Talking (27) me and you
Usually when things has gone this far	Talking only me and you
People (15) to disappear	Talking (28) me and you
No one will (16) me (17)	
you do	
I can (18) there's something going on	
Hours seems to disappear
