I Don't Love You by My Chemical Romance

Well when you go	Another time was just another blow
So never think I'll (1) you try to stay,	So fix your eyes and get up
And maybe when you get back,	Baby, get up
I'll be off,	While you can
To find (2) way	When you go
When after all this time that you still owe	And would you even (6) to say
You're still a good-for-nothing I don't know,	I don't love you (7) I did yesterday
So take your gloves and get out,	Well come on, come on
Baby get out	When you go
While you can	Would you have the guts to say
When you go	I don't love you (8) I (9) you
And (3) you even turn to say,	yesterday
I don't love you like I did yesterday	I don't love you
Sometimes I cry so hard from pleading	Like I loved you
So sick and tired of all the needless beating,	Yesterday
But baby when they (4) you down and out	I don't love you
Is (5) you oughta stay	Like I loved you
And after all the blood that you still owe	Yesterday
