If you ever (1) me, baby	But little darling watch me change (14) minds
Leave (2) morphine at my door	Yeah for you I'll try, I'll try, I'll try, I'll try
'Cause it (3) take a whole lot of medication	And I'll pick up these broken pieces 'til I'm bleeding
To realize (4) we used to have	If that'll make you mine
We don't have it anymore	'Cause there'll be no sunlight
There's no religion (5) could save me	If I lose you, baby
No matter how long my knees are on the floor	There'll be no clear skies
So (6) in mind all the sacrifices I'm making	If I lose you, baby
Will keep you by my side	And just like the clouds
And keep you (7) walking out the door	My eyes will do the same if you walk away
'Cause there'll be no sunlight	Everyday, it (15) rain
If I (8) you, baby	Don't you say, goodbye
There'll be no clear skies	Don't you say, goodbye
If I lose you, baby	I'll pick up these (16) pieces 'til I'm bleeding
Just like the clouds	If that'll make it right
My (9) will do the same if you (10) away	'Cause there'll be no sunlight
Everyday, it will rain	If I (17) you, baby
I'll never be your mother's favorite	And there'll be no clear skies
Your daddy can't even look me in the eye	If I lose you, baby
If I was in their shoes, I'd be doing the (11) thing	And just like the clouds
Saying (12) my little girl	My eyes will do the same if you (18) away
Walking with that troublesome guy	Everyday, it will rain, rain, rain
But they're just afraid of something	
They can't understand
