

They can't understand

Fill in the gaps

If you ever leave me, baby	But little (5) watch me change their minds
Leave some morphine at my door	Yeah for you I'll try, I'll try, I'll try, I'll try
'Cause it would take a whole lot of medication	And I'll (6) up these broken pieces 'til I'm bleeding
To realize what we used to have	If that'll make you mine
We don't have it anymore	'Cause there'll be no sunlight
There's no religion that could save me	If I lose you, baby
No (1) how long my knees are on the floor	There'll be no clear skies
So keep in (2) all the sacrifices I'm making	If I (7) you, baby
Will keep you by my side	And just like the clouds
And keep you from walking out the door	My eyes will do the same if you walk away
'Cause there'll be no sunlight	Everyday, it will rain
If I (3) you, baby	Don't you say, goodbye
There'll be no clear skies	Don't you say, goodbye
If I lose you, baby	I'll pick up these (8) pieces 'til I'm bleeding
Just like the clouds	If that'll make it right
My eyes will do the same if you walk away	'Cause there'll be no sunlight
Everyday, it will rain	If I lose you, baby
I'll never be your mother's favorite	And there'll be no clear skies
Your daddy can't even look me in the eye	If I lose you, baby
If I was in their shoes, I'd be doing the same thing	And just like the clouds
Saying there goes my little girl	My (9) will do the same if you (10) awa
Walking with that troublesome guy	Everyday, it will rain, rain, rain
But they're just (4) of something	

- 1. matter
- 2. mind
- 3. lose
- 4. afraid
- 5. darling
- 6. pick
- 7. lose
- 8. broken
- 9. eyes
