

## Fill in the gaps

It's alright, to tell me, (1) you think, about me
I won't try, to argue, or (2) it, against you
I (3) that, you're leaving
You must have, (4) reasons
The season is calling
Your pictures are falling down
The steps that, I retrace
The sad look, on your face
The timing, and structure
Did you hear, he f**** her?
A day late, a buck short, I'm writing, the report
On losing, and failing when I move
I'm flailing now
And it's happened once again
I'll turn to a friend
Someone that understands
Sees through the master plan
But everybody's gone
And I've (5) here for too long
To face this on my own
Well I guess this is growing up
Well I guess this is growing up
And maybe, I'll see you

At a movie sneak preview
You'll (6) up, and (7) by
On the arm of (8) guy
And I'll smile, and you'll wave
We'll pretend it's okay
The charade, it won't last
When he's gone, I won't come back
And it'll happen once again
You'll turn to a friend
Someone that understands
And sees (9) the master plan
And sees (9) the master plan But everybody's gone
But everybody's gone
But everybody's gone And you've been there for too long
But everybody's gone And you've been there for too long To face this on your own
But everybody's gone And you've been there for too long To face this on your own Well I guess this is growing up
But everybody's gone And you've been there for too long To face this on your own Well I guess this is growing up Well, I guess (10) is growing up
But everybody's gone And you've been there for too long To face this on your own Well I guess this is growing up Well, I guess (10) is growing up Well, I guess this is growing up
