Now I've found who I am There's no way to hold it in

Fill in the gaps

This Is Me by Demi Lovato & Joe Jonas

I've always been the kind of girl	No (5) hiding who I want to be
That hid my face	This is me
So afraid to tell the words	You're the voice I (6) (7) my head
What I've got to say	The reason that I'm singing
But I have this dream	I need to find you
Bright inside of me	I gotta find you
I'm gonna let it show	You're the (8) piece I need
It's time	The song inside of me
To let you know	I need to find you
It's to let you know	I gotta find you
This is real, (1) is me	This is real, this is me
I'm exactly where I'm supposed to be now	I'm exactly where I'm supposed to be now
Gonna let the light (2) on me	Gonna let the light shine on me
Now I've found who I am	Now I've found who I am
There's no way to hold it in	There's no way to hold it in
No more hiding who I want to be	No more hiding who I want to be, yeah
This is me	This is me
Do you know (3) it's like	You're the missing piece I need
To feel so in the dark	The song inside of me
To dream about a life	You're the voice I hear
Where you're the shining star	Inside my head
Even (4) it seems	The reason that I'm singing
Like it's too far away	Now I've found who I am
I have to believe	There's no way to hold it in
In myself, it's the only way	No more hiding who I want to be
This is real, this is me	This is me
I'm exactly where I'm supposed to be now	This is me
