

There's no way to hold it in

## Fill in the gaps

# This Is Me by Demi Lovato & Joe Jonas

I've always (1) the kind of girl	No (10) (11) who I want to be
That hid my face	This is me
So afraid to tell the words	You're the voice I (12) (13) my
What I've got to say	head
But I have (2) dream	The reason that I'm singing
Bright (3) of me	I need to find you
I'm gonna let it show	I (14) find you
It's time	You're the (15) piece I need
To let you know	The song inside of me
It's to let you know	I need to (16) you
This is real, this is me	I (17) find you
I'm exactly (4) I'm (5) to be	This is real, this is me
now	l'm (18) l'm supposed to
Gonna let the light shine on me	be now
Now I've (6) who I am	Gonna let the light (20) on me
There's no way to hold it in	Now I've (21) who I am
No more (7) who I want to be	There's no way to hold it in
This is me	No more hiding who I want to be, yeah
Do you know what it's like	This is me
To feel so in the dark	You're the (22) piece I need
To (8) about a life	The song inside of me
Where you're the shining star	You're the voice I hear
Even (9) it seems	Inside my head
Like it's too far away	The (23) that I'm singing
I have to believe	Now I've found who I am
In myself, it's the only way	There's no way to hold it in
This is real, this is me	No more (24) who I want to be
I'm exactly where I'm supposed to be now	This is me
Gonna let the light shine on me	This is me
Now I've found who I am
