SUB inglés

Now I've found who I am
There's no way to hold it in

Fill in the gaps

This Is Me by Demi Lovato & Joe Jonas

I've always been the kind of girl	No more hiding who I want to be
That hid my face	This is me
So afraid to (1) the words	You're the voice I hear inside my head
What I've got to say But I have this dream	The reason that I'm singing
	I need to find you
Bright (2) of me	I gotta find you
I'm gonna let it show	You're the missing piece I need
It's time	The song inside of me
To let you know	I need to find you
It's to let you know	I gotta (8) you
This is real, this is me	This is real, this is me
I'm (3) where I'm (4)	I'm exactly where I'm supposed to be now
to be now	Gonna let the light shine on me
Gonna let the light shine on me	Now I've found who I am
Now I've found who I am	There's no way to hold it in
There's no way to (5) it in	No more hiding who I want to be, yeah
No more hiding who I want to be	This is me
This is me	You're the missing (9) I need
Do you know what it's like	The song inside of me
To feel so in the dark	You're the voice I hear
To (6) about a life	Inside my head
Where you're the shining star	The reason (10) I'm singing
Even though it seems	Now I've found who I am
Like it's too far away	There's no way to hold it in
I have to believe	No more hiding who I want to be
In myself, it's the only way	This is me
This is real, this is me	This is me
I'm exactly where I'm supposed to be now	
Gonna let the light (7) on me
