Put your hands, all over	Please walk with me, (6) with me now
Put (1) hands all over me	Love is a game you say
Put your hands, all over	Play me and put me away
Put your hands all over me	Love is a game you say
I (2) seem to find	Play me and put me away
The pretty little face I left behind	Put your hands all over me
Wandered out on the open road	Put your hands all over me
Looking for a better place to call home	Put your hands all over me
Gave her a place to stay	All over me
And she got up and ran away	So come down off your cloud
Well now I've had enough	Say it now say it loud
Her pretty little face has torn me up	Get up in my face
Put your hands all (3) me	Pretty little girl come make my day
Please talk to me, (4) to me	Put your hands all over me
Tell me everything, it's gonna be alright	Please (7) to me, talk to me
Put your hands all over me	Put your hands all over me
Please walk with me, walk with me now	Now walk with me, walk with me now
Love is a game you say	Put your hands all over me
Play me and put me away	Gotta talk to me, talk to me
(Put your hands all over me)	Come on now, babe
Now you've lost your mind	Put (8) hands all over me
The pretty little girl I left behind	Gotta walk with me, walk with me now
And now you're getting rough	Love is a game you say
But everybody knows you're not that tough	Play me and put me away
Wandered out on the open road	Love is a game you say
Looking for a place to call your own	Play me and put me away
Scared to death of the road ahead	Put your (9) all (10) me
Pretty little thing, don't get upset	Yeah (All over me)
Put your hands all over me	Put your hands, all over
Please talk to me, talk to me	Put your hands all over me
Tell me everything, it's gonna be alright
