## Fill in the gaps

## Moves Like Jagger by Maroon 5 & Christina Aguilera

	Kiss me 'til you're drunk and I'll show you
(Oh)	All the (7) like Jagger
(Oooh)	I've got the moves like Jagger
Just (1) for the stars if it feels right	I've got the moves (8) Jagger
Then aim for my heart if you feel like	I don't need to try to control you
Take me away and (2) it okay	Look into my eyes and I'll own you
I swear I'll behave	With them moves like Jagger
You wanted control, so we waited	I've got the moves like Jagger
I put on a show, now I make it	I've got the moves like Jagger
You say I'm a kid, my ego is big	You wanna know how to make me smile
I don't (3) a s***	Take control, own me just for the night
And it goes like this	And if I share my secret
Take me by the tongue and I'll know you	You're gonna have to keep it
Kiss me 'til you're drunk and I'll show you	Nobody else can see this
All the moves like Jagger	So watch and learn, I won't show you twice
I've got the moves like Jagger	Head to toe, oh baby rub me right
I've got the moves like Jagger	If I share my secret, you're gonna have to keep it
I don't need to try to control you	Nobody else can see this
Look into my (4) and I'll own you	And it goes like this
With them moves like Jagger	Take me by the tongue and I'll know you
I've got the moves like Jagger	Kiss me 'til you're drunk and I'll show you
I've got the moves like Jagger	All the moves like Jagger
Maybe it's hard (5) you feel like	I've got the moves like Jagger
You're broken and scarred	I've got the moves (9) Jagger
Nothing feels right	I don't need to try to control you
But (6) you're with me, I'll make you believe	Look into my eyes and I'll own you
That I've got the key	With them (10) like Jagger
(Oh) So get in the car, we can ride it	I've got the moves like Jagger
Wherever you want, get inside it	I've got the moves like Jagger
And you wanna steer, but I'm shifting gears	
I'll take it from here	
(Oh yeah) And it goes like this	

- 1. shoot
- 2. make
- 3. give
- 4. eyes
- 5. when
- 6. when
- 7. moves
- 8. like
- 9. like
- 10. moves
