## Talking To The Moon by Bruno Mars I know you're somewhere out there

Somewhere far away		I sit by myself	
want you back		Talking to the moon	
want you back		Try to get to you	
My neighbors (1) I'm crazy		In hopes you're on the other side	
But they don't understand		Talking to me too	
ou're all I have		Or am I a fool	
ou're all I have		Who sits alone	
At night when the stars light up my room		Talking to the moon	
sit by myself		(Ah ah ah)	
Talking to the moon		Do you ever hear me calling?	
Try to get to you		(Ah ah ah)	
n hopes you're on the other side		'Cause every night	
Talking to me too		I'm talking to the moon	
Or am I a fool		Still (7) to get to you
