Sunday Morning by Maroon 5

Fill in the gaps

Sunday morning rain is falling		That may be all I need	
Steal some covers share some skin		In (4)	she is all I see
Clouds are (1)	us in moments	Come and rest your bones with me	
unforgettable		Driving slow on Sunday morning	
You twist to fit the mold that I am in		And I never want to leave	
But things just get so crazy		But things just get so crazy living	
Living life gets hard to do		Life gets hard to do	
And I would gladly hit the road		Sunday morning rain is falling	
Get up and go if I knew		And I'm calling out to you	
That (2) it would lead me back to you		Singing someday	
That someday it would lead me back to you		It'll bring me back to you	
(Someday)		Find a way to (5)	myself (6) home to
That may be all I need		you	
In darkness she is all I see		And you may not know	
Come and rest your bones with me		That may be all I need	
Driving slow on Sunday morning		In darkness she is all I see	
And I never want to leave		Come and rest your (7) with me	
Fingers trace your every outline (oh yeah)		Driving slow on Sunday morning	
Paint a picture with my hands		Driving slow (ah yeah yeah)	
Back and forth we sway (3) branches in a storm			
Change the weather			
Still together when it ends
