

Fill in the gaps

Moving forward using all my breath
Making love to you was never second best
I saw the world thrashing all around your face
Never really knowing
It was (1) mesh and lace
I'll stop the world and melt (2) you
You've seen the difference
And it's getting (3) all the time
There's nothing you and I won't do
I'll stop the world and melt with you
You should know better
Dream of (4) lives
The kind which never hate
You should see why
Dropped in the state of imaginary grace
You should know better
I made a pilgrimage to save this humans race
You should see why
What I'm comprehending a race that long gone bye
I'll stop the world
I'll stop the (5) and melt with you
I'll (6) the world
You've seen the difference
And it's getting better all the time
Let's stop the world
There's nothing you and I won't do
Let's (7) the world
I'll stop the world and malt with you

The future's open wide
Let's stop the world
I'll stop the world and melt with you
Let's (8) the world
I've seen some changes
But it's getting better all the time
Let's stop the world
There's nothing you and I won't do
Let's stop the world
I'll stop the world and (9) with you
The future's open wide
(hmmm hmmm)
I'll stop the world and melt with you
Let's stop the world
You've seen the difference and
It's getting better all the time
Let's stop the world
There's nothing you and I won't do
Let's stop the world
I'll stop the world and melt with you
Let's stop the world
I'll stop the world and melt with you
Let's stop the world
I'll stop the world and melt with you
Let's stop the world
