

Fill in the gaps

If I only (1) your name	I'd go from door to door
I'd go from door to door	Tell me have you (7) the gir
Searching all the crowded streets	I've met just once before
For the place that I once saw	Young Love
If I only knew your name	Never seems to last
I'd go (2) door to door	Far too young
Tell me have you seen the girl	Until they have a past
I've met just once before	Playing games
One night of love	People move so fast
Nothing more nothing less	You don't need eyes to see
One night of love	If someones got a heart of glass
To put my head in a mess	Young Love
Is that you on the bus?	Never seems to last
Is that you on the train?	Far too young
You wrote your number on my hand	Until they have a past
And it (3) off in the rain	One night of love
One night of love	Nothing more nothing less
Nothing more nothing less	One (8) of love
One night of love	Has left my heart in a mess
Has put my bed in a mess	If I only knew your name
Is that you on the bus?	I'd go (9) door to door
Is that you on the train?	Searching all the crowded streets
You wrote (4) number on my hand	For the place that I (10) saw
And it came off in the rain	If I only knew your name
If I only knew your name	I'd go from door to door
I'd go (5) door to door	Tell me have you seen the boy
Searching all the crowded streets	I've met just once before
For the (6) that I once saw
