

Fill in the gaps

If I only knew your name	I'd go from door to door
l'd go (1) door to door	Tell me have you seen the girl
Searching all the crowded streets	I've met just once before
For the (2) that I once saw	Young Love
If I (3) knew (4) name	Never seems to last
I'd go from door to door	Far too young
Tell me have you (5) the girl	Until (18) have a past
I've met just once before	Playing games
One night of love	People move so fast
Nothing more (6) less	You (19) need eyes to see
One (7) of love	If (20) got a (21) of glass
To put my (8) in a mess	Young Love
Is that you on the bus?	Never seems to last
Is that you on the train?	Far too young
You wrote (9) (10) on my hand	Until they have a past
And it came off in the rain	One night of love
One (11) of love	Nothing more (22) less
Nothing more nothing less	One night of love
One night of love	Has (23) my heart in a mess
Has put my bed in a mess	If I only knew (24) name
Is that you on the bus?	I'd go from (25) to door
Is that you on the train?	Searching all the crowded streets
You (12) your number on my hand	For the place that I (26) saw
And it (13) off in the rain	If I only knew your name
If I only knew your name	l'd go (27) (28) to door
I'd go from (14) to door	Tell me have you seen the boy
Searching all the (15) streets	I've met just once before
For the place that I (16) saw	
If I (17) knew your name
