Radio Nowhere by Bruce Springsteen

I was trying to (1) my way home	This is radio nowhere
But all I (2) was a drone	Is there (7) alive out there?
Bouncin' off a satellite	This is radio nowhere
Crushing the last long American night	Is there anybody alive out there?
This is radio nowhere	Is there anybody alive out there?
Is there anybody alive out there?	I was driving through the (8) rain
This is (3) nowhere	And just searching for a mystery train
Is there anybody alive out there?	Bopping through the wild blue
I was staring at a dead dial	Trying to make a connection with you
Just another lost number in a file	This is radio nowhere
Dancin' down a dark hole	Is there anybody alive out there?
Just (4) for a world with some soul	This is radio nowhere
This is radio nowhere	Is there anybody alive out there?
Is there anybody alive out there?	Is (9) anybody alive out there?
This is radio nowhere	I just want to feel some rhythm
Is there anybody alive out there?	I just want to feel some rhythm
Is there anybody alive out there?	I just want to feel your rhythm
I just want to hear (5) rhythm	I just want to feel (10) rhythm
I just want to hear some rhythm	I just want to feel your rhythm
I just want to hear some rhythm	I just want to feel your rhythm
I just want to hear some rhythm	I just want to feel your rhythm
I want a thousand guitars	(fade)
I want pounding drums	
I want a million (6) voices speaking in
