Fragile by Sting

Fill in the gaps

If blood (1) flow
When flesh and steel are one
Drying in the colour
Of the (2) sun
Tomorrow's rain
Will wash the stains away
But (3) in our minds
Will always stay
Perhaps this final act was meant
To clinch a lifetime's argument
That nothing comes from violence
And nothing ever could
For all those (4) beneath an (5) star
Lest we (6) how fragile we are
On and on the (7) fall
On and on the (7) (8) fall
On and on the (7) (8) fall Like (9) from a star
On and on the (7) (8) fall Like (9) from a star Like tears from a star
On and on the (7) (8) fall Like (9) from a star Like tears from a star On and on the rain will say
On and on the (7) (8) fall Like (9) from a star Like tears from a star On and on the rain will say How fragile we are
On and on the (7) (8) fall Like (9) from a star Like tears from a star On and on the rain will say How fragile we are How fragile we are
On and on the (7) (8) fall Like (9) from a star Like tears from a star On and on the rain will say How fragile we are How fragile we are On and on the rain will fall
On and on the (7) (8) fall Like (9) from a star Like tears from a star On and on the rain will say How fragile we are How fragile we are On and on the rain will fall Like tears from a star
On and on the (7) (8) fall Like (9) from a star Like tears from a star On and on the rain will say How fragile we are How fragile we are On and on the rain will fall Like tears from a star Like tears from a star
On and on the (7) (8) fall Like (9) from a star Like tears from a star On and on the rain will say How fragile we are How fragile we are On and on the rain will fall Like tears from a star Like tears from a star On and on the rain will say

How fragile we are

- 1. will
- 2. evening
- 3. something
- 4. born
- 5. angry
- 6. forget
- 7. rain
- 8. will
- 9. tears
